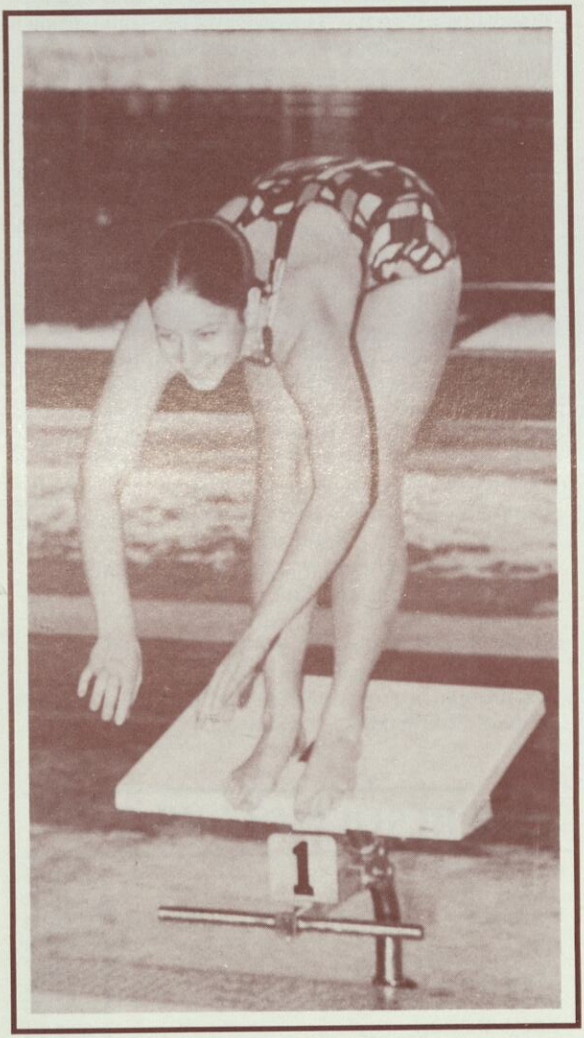
SALISBURY STATE COLLEGE



WOMEN'S SWIMMING 1986 REVIEW

1986 REVIEW

The Salisbury State College women's swimming program may have taken giant strokes towards next season in 1986. Although the team finished with a 2-4 record, several outstanding swimmers emerged and a renewed interest in the sport is taking effect.

"As the season started, we had a small squad (11) and little experience (three returnees)," said head coach Rosie Barretta. "However, we had some strong swimmers give the program a boost. If not for some injuries near the end of the season, I think we would have had a good year."

The Sea Gulls started off by spliting their first four meets, as they defeated Gallaudet and College of Notre Dame but lost to Loyola and Hood. Marymount and York swam past the Gulls in the final two meets.

Sophomore Nancy Gugerty had another fine season as she set three SSC records. Gugerty set school records in the 500 meter butterfly (31.42), 100 meter butterfly (1:09.27) and the 200 meter individual medley (2.36.72).

Two freshmen–Sharon Crilly and Julie Frost–made their presence known on the team. Crily was named the team's most valuable swimmer while Frost set a school record in the 100 meter individual medley (1:16.56).

Senior Marlene Maloney did a good job while swimming the freestyle events, while Janet Salomone, a junior, also had a good season.

Two other freshmen rounded out the team for 1986–Nelly Grant and Cindy Patrick.

"Next season I hope to have more depth on the team," said Barretta, who has coached the Gulls for two seasons. "There is some interest in a men's team and it would be great if we could have a dual program of men's and women's swimming."

1986 RESULTS

OPPONENT	RESULTS
Loyola	L, 141-64
Gallaudet	W, 115-84
Hood	L, 84-36
College of Notre Dame	W, 76-42
Marymount	L, 69-36
York	L, 83-30
FINAL RECORD	2- 4

Rosie Barretta
Head Coach

Salisbury State College women's swimming coach Rosie Barretta brought a wealth of aquatics knowledge to SSC two years ago.

As head coach of the Sea Gull swim team, Barretta has helped the team recapture interest. The program is fast growing and looking to reach new heights in 1987.

Barretta, a graduate of James Madison University in Virginia, earned a master's degree in Motor Development from Michigan State. From there she taught physical education at all levels of school including elementary, junior high and high school.

One of not more than a dozen people in the United States to hold a Master Clinician of Swimming Certificate, Barretta started specializing in aquatics in 1976. She has taught at Berea College in Ohio and Eastern Kentucky University.

While at Eastern Kentucky, she coached synchronized swimming at the college and high school levels for five years. Her high school team was ranked high in the state of Kentucky.

An involved member of the AAHPERD, Barretta has taught swimming, canoeing and sailing for the Red Cross.

Barretta is the Director of Aquatics at Salisbury State College and is an instructor in the Physical Education Department of the College.

YEAR-BY-YEAR

YEAR	RECORD
78-79	1-5
79-80	3-5
80-81	3-4
81-82	5-0
82-83	3-2
83-84	3-4-1
84-85	2-5
85-86	2-5
86-87	2-4

SSC TODAY

Nestled in one of the nation's most magical and historical areas, the Eastern Shore of Maryland, Salisbury State College effectively combines the relaxed yet personable nature of a small college education with the rigorous academic demands of a major university.

The recreational pursuits of the Eastern Shore are legendary, from the boardwalk of Ocean City to the wilderness of Chincoteague Island to the tranquility of Blackwater Refuge near Cambridge, Md. Only 30 miles to the east is Ocean City's famous white beach and the 30 miles of Assateague Island's National and State Park.

Salisbury, Wicomico's county seat and the Shore's major city today, was laid out by a charter granted in 1732, the year George Washington was born. Progressive growth has been characteristic of Salisbury. It has grown over the years from a little crossroads town with a small lumbermill and a few stores into a flourishing business center and a chief distributing point.

The College offers undergraduate programs leading to the Bachelor of Arts and Bachelor of Science degrees, and graduate programs leading to the Master of Arts in English, History and Psychology, the Master of Education, the Master of Business Administration, and the Master of Science in Nursing.

Salisbury State's undergraduate program became more defined in 1984 with the alignment of the College's major programs into five distinct schools of learning: the School of Nursing and Health Sciences; the School of Business; the School of Liberal Arts; the School of Professional Studies; and the School of Science.
